

Test for less with the ACCU-CHEK® Aviva system

Discover least painful testing¹

- ACCU-CHEK Multiclix lancing device—proven least painful¹
- Easy-to-handle, quick-fill test strip makes sampling easier
- Small, 0.6-μL sample size means less blood
- Fast, accurate results in 5 seconds
- Multiple test sites on the body²

**The only meter and strip combination
manufactured in the U.S.A.³**

Plus, discovery tools now included!

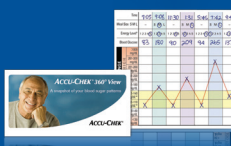

Tool kit guide and educational video

Simple instructions and activities to help you understand how what you do affects your results. Video brings it to life with tips and real-life success stories.
